Office of Public Affairs Update

Sikhnet and the Office of Public Affairs Engage IRFBA Alliance at Ministerial

Simran Singh from the Office of Public Affairs advises the International Freedom of Religion or Belief Alliance (IRFBA), comprised of 42 Governments and the United Nations, standing for each human being's "right to freedom of thought, conscience and religion," in accordance with article 18 of the UN's Universal Declaration on Human Rights.

In Sikh history, Guru Teg Bahadur Ji is the most poignant example of this alliance's work, giving his life to protect members of another faith.

Simran Singh facilitated a discussion on the role of Artificial Intelligence and Social Media in relationship to protecting personal beliefs from the plenary stage, drawing on shared values of protection between all humans of conscience

Sikhnet's Executive Director Ek Ong Kaar Kaur joined the Alliance as it reviewed the critical relationship between freedom of conscience and women's rights.
